A Jakins and Sons is a family run business that supplies nationwide in excess of 200,000 real Christmas Trees, primarily to Garden Centres, Wholesale Markets, Farm Shops and Nurseries.

We harvest Christmas trees from selected plantations throughout Scotland, Denmark and Belgium. Whether Premium Grade, Standard Grade or Second Grade, we pride ourselves on our quality at a very competitive price.

We supply most varieties of Christmas Trees from 60cm – 8 metres, as well as Pot Grown Trees and also of course, Netting Machines, Netting, Bases and other Christmas Tree related products.

Our quality and service ensures our regular customers continue to return year after year and we continue to expand each year through new customers.
